

Taste 18 Michelin-starred cuisines in New York City

New Yorkers are notoriously navel-gazing. Many Manhattanites are loathe to journey so far as Brooklyn, and residents of all five boroughs frequently refer to suburbs in nearby Westchester as "upstate." Basic geographical awareness aside, one can affirm New Yorkers' elevated self-regard in terms of cuisine. Diverse populations import stellar cooking techniques and ingredients from around the world, to exceedingly delicious results.

Consider the newly unveiled 2016 Michelin Guide to New York City. The "red bible" of fine dining awards stars to a varied list of 76 eateries serving nearly 20 types of cuisines. From a Gallic grande dame on the Upper East Side, to a twinkling all-American boite in Brooklyn, to elevated Sichuan fare in the heart of Midtown, wide-reaching winners are sitting pretty across New York City. Let's just hope they don't let it go to their heads.
